

P/N 109025

Roof Hatch Grabber Bar

Mounts to the outside corner of all metal roof hatches to provide a safe means for workers to hold when entering/exiting through the hatch. Allows lid to close without restriction. Permanently installs using included Grade 5 nuts and bolts and 1/4" thick centering clamp plates. 1" 11 Gauge HREW tubing welded to 1010 grade Hot Roll P&O 1/4" base. Ergonomically shaped and powder coated for long life. Safety Yellow for high visibility. Not for use as a tie-off point!

Perfect complement to **OSHA 1910.23(a)(2)** regarding Ladder Hatches and **1910.23(c)(1)** regarding railing around hatch openings.
