

SABER MOBILE FALL PROTECTION

The Saber is a mobile fall protection system that provides safe and efficient access to elevated work areas. The Saber is designed to be used by up to 3 workers simultaneously (2 in fall arrest and 1 in fall restraint).

The Saber features a patented engagement system that locks your anchor point into its deepest point of penetration during a fall, providing superior safety. The Saber is easy to maneuver and can be relocated effortlessly from one work area to another.

SBR-0000-23-ASM

KEY FEATURES

- Supports up to 3 workers (2 fall arrest & 1 fall restraint simultaneously)
- Works on concrete*(*Max 1 person fall arrest)
- Patented ratchet-locking engagement arm
- Flat-free solid polyurethane tires
- Integrated fork pockets and lifting points
- Meets and exceeds OSHA 1926.502(d) & ANSI/ASSE Z359.6-2009

BENEFITS

- Safe and efficient access to elevated work areas
- Removable weights
- Easy to maneuver
- Versatile and reliable
- Perfect for a variety of applications
