

**The Roofmaster JIT Advantage.
Consistent Supply. Controlled Inventory.
Your Stock, on Schedule. Your Capital, Unleashed.**

Is Your Warehouse Working Harder Than It Needs To?

In the fast-paced world of materials distribution, efficient inventory management isn't just an advantage – it's essential for profitability. The **Roofmaster Just-In-Time (JIT) Distribution Partnership** transforms your operations, turning excess inventory into working capital.

Our regional warehouses ensure the Roofmaster products your customers demand arrive precisely when you need them, not before. With Roofmaster JIT, you gain:

- **Predictable, Precision Deliveries**
- **Maximized Cash Flow**
- **No Meeting Minimums from vendors hundreds of miles away**
- **Enhanced Responsiveness**
- **Profit to your Balance Sheet**

There's space on the truck, don't miss it! Contact your local Roofmaster location now!
